Allergen Statement:

Whilst we take great care in controlling our use of allergens where possible, Voyages and its suppliers operate working kitchens and use equipment and facilities that may come into contact with various allergens. As a result, even when an allergen may not be an ingredient in a meal there is always a risk that the meal could still contain traces of allergens which may be transferred during storage or preparation. As such we cannot guarantee that any food or beverage item is free from cross-contact with allergens such as peanuts, tree nuts, milk, eggs, fish, crustaceans, soy, wheat, sesame or lupin. For further information, please speak with your service attendant.

ABOUT BLAK BREWS

Troy (Tati Tati, Wadi Wadi, Muti Muti and Wamba Wamba man) & Cerisa Benjamin (Walpiri, Gurindji and Jawoyn woman) are the founders and operators of Blak Brews.

They also got hitched a few years back.

They didn't ever imagine becoming tea barons but like most romances, tea popped out of nowhere and stole their heart. What started as a side thing, turned into the main thing.

SELECTION OF ORGANIC BLAK BREWS TEAS

Aussie Brekkie

The perfect tea to drink with your nanna — this drop is premium and sourced from North Queensland's Daintree wilderness.

Aussie Earl Grey

Organic black leaves blended with our signature mix. Delicately floral with citrus notes.

Minty Green

Using the same plant that our ancestors have been serving for thousands of years, this tea is a blend of the native round leaf mint and peppermint.

Red Centre

Rosehip, hibiscus, strawberry gum, quandong, caffeine free.

Desert Sunrise

Australian sencha, strawberry gum, desert finger lime, calendula, natural quandong green tea, but make it down under. Zesty with a side of balanced fruit.

Kakadu Sunset

Black tea, Daintree cacao husks, desert finger lime, calendula petals, cornflower petals, safflower petals, Kakadu plum.

Sails in the Desert Bellini (Hibiscus, Prosecco)
available upon request

Barista coffee available by request
